Cabinet quality & construction

Door styles

Full-overlay fronts. Profiles and panel construction vary by style.

Soft-close doors

Six-way adjustable concealed Euro-style soft-close hinges.

Drawer construction

Solid wood dovetail drawers with full-extension, soft-close undermount glides.

Cabinet boxes & shelves

Cabinet-grade plywood, adjustable shelves and matching exterior finishes.

Added support

Corner bracket reinforcements in base cabinets; quiet-closing door bumpers.

E1 Dove & E2 Charcoal panel note

J&K lists 3/4-inch solid wood door frames with 1/4-inch cabinet-grade plywood center door and drawer panels for E1 and E2.

Confirm construction for your selected style

The Florida features page lists 5/8-inch plywood boxes and 3/4-inch shelves; the J&K FAQ lists 3/4-inch plywood boxes. Published specifications differ, so confirm current box and shelf thicknesses with VistaBuild before ordering.
